EDUCATION:

B.Tech – Information Technology, S.A. Engineering College
Cumulative Grade Point Average (CGPA) – 8.04 / 10

Present:
Chennai, India

PROFESSIONAL EXPERIENCE:

VEI Technologies Pvt. Ltd., Chennai – Software Development Intern

May 2026 – Present

- Recently joined; working on web application development using Python frameworks and frontend technologies.
- Completed Value Added Course on **Python Framework – Django & Flask**, organised by Dept. of Information Technology, S.A. Engineering College.
- Gained practical exposure to Flask-based backend development, REST APIs, and responsive front-end design.

PROJECTS:

Web Application Development – Full Stack Project

Python (Flask/Django), Java, HTML, CSS, JavaScript

- Built full-stack web applications with Python Flask/Django handling backend logic and REST API integration.
- Designed responsive frontend interfaces using HTML, CSS, and JavaScript.
- Incorporated Java for backend processing modules, applying OOP principles throughout.
- Used AI tools and self-learning resources to accelerate development and solve technical challenges.

SKILLS:

Programming Languages: C (OOP), Java (OOP + DSA), Python (OOP + Django + Flask), JavaScript, PHP, SQL, MATLAB

Web Technologies: HTML, CSS, JavaScript

Frameworks & Tools: Django, Flask, UiPath (Basic)

Databases: MySQL (SQL Queries)

Developer Tools: VS Code, PyCharm, Eclipse, Turbo C, IDLE Python

CS Fundamentals: Data Structures & Algorithms, OOP Concepts, DBMS, Operating Systems

COMPETITIVE PROGRAMMING:

LeetCode: (aditya_mulay727) • Solved 8 problems, Contest Rating 1446, Global Rank ~559K

SkillRack: (ADITYA KANIFNATH MULAY) • 725 Programs Solved, 704 Tracks Completed, 21 Tutorials

CERTIFICATES:

Infosys Springboard • Introduction to Cyber Security

Infosys Springboard • Fundamentals of Cryptography

Infosys Springboard • Fundamentals of Information Security

MathWorks Training Services • MATLAB Onramp

MathWorks Training Services • Programming Constructs

MathWorks Training Services • MATLAB Desktop Tools & Troubleshooting Scripts

MathWorks Training Services • MATLAB Coder Onramp

VEI Technologies / S.A. Engg. College • Python Framework – Django & Flask

TECHNICAL ACTIVITIES:

- Participated in **NEXUM-2025** – 1st National Level Inter-College Symposium (Data Science), organised by Dept. of CSA, SRM IST Ramapuram, Chennai – represented S.A. Engineering College in the **Quiz Tech** event.
- Participated in **NEXUM-2025** – **Treasure Hunt** event at SRM IST, Ramapuram, Chennai.
